We celebrated the end of our first year of ICTHUS with a field trip to La Paz Park. It might as well of been Walt Disney World for these kids. They were thrilled. After feeding ducks, playing games, and jumping on the trampoline, we headed to MacDonald's. A Happy Meal here is by far a cheap date. The kids enjoyed every bite and we finished the day in Play Land.

The Next Step for Tibas

They asked if they could start sharing their faith with others even though they have not yet been through the discipleship. Of course, the answer is YES! Praise the Lord! GOING HOME FOR CHRISTMAS

After six years without seeing his family, Edgar is going home for Christmas. It's a flood of emotions and a lot of firsts. Edgar will be introduced to nieces and nephews he's never met. I will be meeting my in-laws, visiting Colombia for the first time, and will be away from home at Christmas for the first time in my life. We'll be leaving the first of December and coming back the first week in January. Please pray over this trip. Pray for a sweet family reunion. **Thanks for your incredible generosity that made this trip possible!**
